The latest healthcare reform is illegal and immoral, because health is recognized as a universal right for everybody.

Yo Si Sanidad Universal (“YES to Universal Healthcare”) has organized a campaign to disobey this reform and guarantee assistance for everyone.

There are doctors who want to carry on seeing you at your hospital and your primary care centre, and in your neighbourhood there are support groups who want to accompany you to the doctor and defend your rights. You will find the list of groups at **www.yosisanidaduniversal.net**

Here are some of them:
